Salem Art Fair & Festival, July 16-18, 2021

Food Vendor Application Information

Please read carefully as the application is updated annually

The Salem Art Association is accepting applications for the two food courts at this year's event. There are approximately 20 food booths at the event. Festival coordinators are always seeking creative menu items. Attendee feedback indicates the public is seeking healthier food items. If you are a past participant, and your food sales were low, it is important for your group to consider re-creating your menu in order to be invited to participate.

ALL FOOD VENDORS ARE REQUIRED TO USE SAF&F ZERO WASTE APPROVED COMPOSTABLE PRODUCTS INCLUDING BIO UTENSILS AND FOOD CONTAINERS. A list of approved containers & product request form will be distributed to accepted vendors.

Food Booth Requirements:

- Food Vendors must provide their own tent/booth for selling food, not to exceed dimensions stated in the application including trailer tongues, awnings, etc.
- The booth must post a restaurant license. Someone with a valid food handler card must be supervising the booth at all times and all safety regulations must be observed.
- All booths must have professional-looking signage located on the outside of the booth, with the name of the organization selling the food clearly visible.
- Only electrical items listed on your contract are allowed. Personal coffee-makers are not allowed. Your representative may have made verbal modifications to your application to comply with electricity requirements, and these are reflected in your contract.
- Your organization must use either a cash register or square register for all sales. Reports must be run at the end of each day and "Z" or "square" report must accompany your final Sales Report at the end of the festival. Receipts must clearly track all of both cash and credit transaction. Failure to supply "Z" or "square" reports will disqualify you from future participation at SAF&F.
- Salem Art Fair & Festival is a fundraiser for Salem Art Association. A \$500 deposit is required for all For Profit Food Vendors and is due with contract April 29, 2021. This deposit amount will be deducted from the 25% of gross sales that SAA will receive.
- Liability insurance for a minimum of \$1,000,000 is required. Both the Salem Art Association and City of Salem must be listed as an additional insured for the dates of the Art Fair. Proof of additionally insured is due with signed contract.
- All participating food vendors are required to use SAF&F zero waste approved compostable products including bio utensils and food containers.
- Food vendors must provide a separate "artist only" line with signage. This allows festival artists to skip the long festival lines and return to their booths quickly.

SAA:

- The Salem Art Association provides the space and placement for your booth.
- Electricity is hooked up and tested by a certified electrician prior to the start of the event.
- Food waste containers including grease disposals are provided by SAA.
- Attendance is usually 35,000 throughout the 3-day event and does vary according to the weather.
- A water faucet for cleaning (not potable) is located in each Food Court. SAA does not provide water hook-ups to booths. You will need to supply your own container to transport water.
- If you sell chips, you must purchase Kettle Brand chips from SAA. The chips will be delivered to the booths during the festival. No other brand of chips will be allowed at the festival.
- A Sales Report sheet will be provided to all food participants on site. Vendor agrees to pay **SAA 25% of gross sales**. Each group is responsible for completing the sales report and including the register's daily "Z" or "square" report and submitting final payment by the due date. Failure to do so will eliminate participation from future events. All overdue payments will be charged a late fee.
- Due to challenges in receiving accurate receipts/payments **SAA will have line spotter's roaming food courts through-out the three days of the festival**. These spotters will visually monitor food booth lines and report back to SAA on the comparative levels of activity at the various food booths. Booths that are perceived to be inaccurately reporting their transactions over the three days will not be invited back.
