So far all are well pleased with your course and paper. It is expected that you will favour Thurston - But use discretion and while you favour one Democrat do not abuse another. Excuse the suggestion - Joseph Cox who ordered his paper sent Syracuse wishes it directed to Salem (this office)

Chapman has prepared the evidence in the Kendall case for you and by his request I wrote a brief history of the trial. last evening I had no time to correct it. You please correct if necessary or have unpublished. I had to much to do to be able to attend the report or I should have done it myself. Colwell has reported the artuments in the case - But I think them incorrect. In Great hast.

Yours truly

B. F. Harding
