Dear Bush

I dont believe I can go the cascades I would like to go mightily but I have a suit to attend to on Saturday which cant be left- and I dont know when I can get a churchman .

I suppose you have a Miss secretary Hamilton and any number of School Homs.

I think we shall make a company and go to the cascades after election.

I think King will be elected how it will be about the third man is rather uncertain-----

About that printer I have not been able to see him without going to Dryers office which I could not do if I can get to see him, I will find out about him. If you have not engaged to go, we would like to have you join a company of men and go up in a sail boat (no woman of course)

I have been away most of the time of late did not get your letter that came by the mail.

Dryer is going it against King telling all manner of silly lies about him. In haste

Yours truly
