Dear Sir

My friend Dr. Richard I. White desires to be appointed Consul American for one of the ports of South America or of Mexico. The Dr is a democrat that can be relied upon at any time, a gentleman and a scholar. He has been elected chief clerk in the Assembly for the last three sessions. If you can do anything for him, it will be a praise-worthy act; and I will take it as a personal favor. Remember there is not a word of mere buncomb in this.
