

Portland Dec 23rd 1854

Ashel Bush Esq

Dr Sir

I wish you would put our papers on board the Stearn boats and not depend on the mail as we have not got the Statesman for the last two weeks until Saturday when we ought to have got it on Wednesday.

The Whig portion of our City was knocked endways last evening by the Arrival of a whig express from Salem announcing the division of Washington County- it was not long until Dryer and his strikers got up a notice signed tax payers for a meeting on Thursday to let the Legislature know what the whigs of this city think of the move- That and the viva bon vote both makes the whigs in this quarter very uneasy and I truly hope the Legislature will pass some other measures of equal importance to the death of Whig & Know Nothing interest in this portion of Oregon- You will notice The Times Editor chimes in with the Oregonian which is easily accounted for as both of these men are said to belong to the order of K- N- I think myself Waterman had more sympathy for them than he has for the Democrats and the sooner he shows it the better.

Yours Truly

S Morris

dont fail to send the express papers by the Stearn any letter if you may wat delivered in haste send the same way and I will attend to the delivery of them-

Morris

Portland Dec 23rd 1854

Asahel Bush Esq;

Sir

I wish you would put
our papers on board the steam boats
and not depend on the mail
we have not got the statesman for
the last two weeks until Saturday
when we ought to ^{have} got it on Wednesday

The Whig portion of our City was
knocked ino way last evening by the
arrival of a Whig Epus from Salem
announcing the diversion of
Washington County. it was not
long until Bryan and his strikers
got up a notice signed tax payers
for a meeting on Thursday to let the
Legislature know what the whigs
of this City think of the move. That
and the two bow vote both makes the
Whigs in this quarter very uneasy
and I truly hope the Legislature will
pass some other measures

of equal importance to the death of
Whig know nothing interest in this
portion of Oregon. You will notice
The Times Editor chimes in with
the Oregonian which is easily
accounted for as both of these men
are said to belong to the order of
K-N. Admittedly myself Natorman
has more sympathy for them than
he has for the Democrat
and the more he shows it the
better

Yours truly
Thos

Don't fail to send the Epus paper by
the steam any letters if you may
want delivered in haste send to
some way and I will attend
to the delivery of them
