

Seottsburg 17 June 1855

Friend Bush:--

We find ourselves (very unexpectedly) out of ink to print our paper on. Can you send us 7 or 8 pounds by mail carrier to Yoncalla, to J. B. Hosman, who will bring it from Yoncalla here. We have ordered a supply by Str. Lee Choo which sails to-day, but will probably not return for 4 or 5 weeks. We are forced to use blue or red inks until we hear from you. Don't fail to send it, and your bill for the same

Very truly

Yours Boyd & Blakely
