Your note by Beebe was duly received and I will attend to the fencing when the lumber arrives—

Your note to Ben I received also, and am sorry I cannot give you a copy of the letters you refer to, as Ben has the letter book that has that letter in I will endeavor to get it to you as soon as I can—

Gen. Lane was here on Friday night and left on Saturday about ten o'clock, Governor Curry was here and also Nesmith— I have been trying to sell your house — but with poor success, — I have bought Nesmith's property containing ten acres near Parrish's — for two thousand dollars.

Yours &c
