

Salem Oct. 29th, 1855.

Friend Bush

Your note of the 25th ult was duly received, with the amount of Rickey's bill, which I will attend to you, and you also mention about Parker's Bill, I will attend to it if Moores don't get, I spoke to Sharon about it, but he says it wan ordered through him, I know it was not ordered through me, I think it was done by Sam's Son himself, either with you or some one about the office. I will do the very best I can with it, I send you a notice for publication enclosed herewith, for which I have received five dollars, to be published three weeks -- I wrote to you on Saturday, but failed to send it, -- I send it by mail, with this, -- I see by the late papers, that were received by last Steamer that the Democrats have carried the State of Maine which is good news, down goes the Maine Law -- I say three cheers for Maine -- Jim Strang is fixing your chimneys, tight this time.

Yours truly,

Chester N. Terry

P.S. Westacott paid me sixty-five dollars for you, on a note you hold against him, he says he paid Grover five dollars to apply on the same, send me the note so I can give to Westacott.
