Dear Bush

I. N. Smith tells me you want some person to give the "prices Current" for this place, I will send them by the Mail that takes this and correct them weekly. I have recd. for you \$10 for stud horse bills and five dollars subscription for the Statesman from Isaac Winkel. Mr. Winkel did not tell me to stop the paper consequently I conclude you may continue to send it, I will send the amt. I collected by the Enterprise if I think of it when she comes up Tuesday -- no news.

Yours Truly
