

Deer Creek Nov. 13th 1866

Mr. Bush,

Sir. I send by the hands of Gen. Drew the bearer of this \$15. in payment for the County Order Blanks, which you printed for me. The Bill which you enclosed to me was for \$17.50 but as I had written to the Times man by the request of the Commissioners they issued an order in advance for \$15.00 and I thinking it was none of their business sent to you in preference. I think under the circumstances you will be satisfied with this amount but if not let me know by letter & I will pay the ballance myself. I ordered 500 instead of 1000 so that it might not overrun the amt of the order.

We are all in high spirits about the California vote. Accept my compliments.

Very Respectfully,

James M. Pyle

P. S. I send by Mr. Beggs in place of Gen. Drew.
