Dear Bush

I send you for Enterprise \$1.25 for Doc Richardson, he says you owe him \$1.75 for a cheese which makes \$3, I also send you \$1.00 for publishing Estray notice. I want you to send me the a/c of Geo W Spencer for subscription and for publishing, notice for final settlement of the Estate of Simeon Van Hageman.

No news of interest the "Hards " of Benton are "wide awake" and will turn out to our precinct meetings to a man. No Land warrants in the market.

Yours Truly
