Dear Bush

I want you on receipt of this to go to the Tert. Auditors Office and ascertain the exact amt. of Territorial Tax still due the Territory from Benton County, and pay the amt. whatever it be to The Tert. Treasurer taking duplicate receipts. deposit one with the Auditor and send the other to me by the Enterprise and I will send you the money by All Zeiber, don't fail to attend to this for me immediately, for if you do your Auditor will sue me and make me pay a hell find large forfeit and besides charge me 2 pr cent pr month for withholding the funds, I think the amount is quite small some 17 or \$18 pay whatever the Auditor says will balance the Books, and oblige.
