Dear Bush

I send you by the "Enterprise" Seven hundred dollars the amount I had of your money in my possession. Land warrants are out of the question holders think they can locate them themselves and by that means get \$200, for them, I have no news to communicate, I understand that the opposition will run an entire ticket against our ticket in this county, I hope they will.

Yours Truly

P. S. I send you also 8\$ for Casper Rickard and 1\$ for publishing advertisement, which advtsment is enclosed.
