Dear Bush

I want you to go to the Territorial Treasurer and pay the balance of a note given by John Baker of this county for School Lands sold here last summer, dont fail to attend to this and send the note up by the Enterprise, I will send the money down as soon as I get the note and know the Amt. I want to keep the old man in good condition till after the Election he is rather an Avery man, but I think I can get him to vote the ticket. No news.
