

Roseburg July 12th 1857

Mr. Bush

Dear Sir;

Enclosed find an estray notice which you will please insert.

I will forward the money next time.

Mr. Rose has sold out to Spencer of Umpqua county & Gibbs, he (Rose) is going to the States. The printing press of Burns & Beggs passed through here a few days since on the way to Jackson.

I have not replied to Conservators last com. in Oregonian for the reason that I delayed it so long trying to find out the writer that the subject became too stale. I was suspicious it was written by a democrat. I do not still know who wrote it I only know that John Kelly had offered one of our prom. Democrats \$50. to reply to "Young America" dont think he took it.

I am Truly Yours
