Dear Bush

It is rumored and well founded that Col Eby at the Sound has been killed by the indians-----tell Dr. Drew. Alex will not go by this steamer O Meara has returned---I spoke to him about that matter---we hear from that note. Kneil had got another person to attend to it they both called on Richards the note has not been paid. Richards knows the person it is against and says he is not worth a d---n.

In haste

Dear Sir,

It is rumored, and well founded, that Col. C. at the Sound has been killed by the Indians. Tell Dr. Drew, they will not go by this. Stearns of "Meain" has returned. I spoke to him about that matter. We hear from that note. Knelt had got another person to attend to it they both called on Richards the note has not been paid. Richards knows the person it is against and says he is not worth a d. n.

In haste
