

Corvallis Octr 30th 1857

Dear Bush

Enclosed I send you copys of Recpts given to Matthews & Barclay, to both of these gentlemen you have sent bills not crediting them for anything paid. I wish you would straitin this on your books, as it causes a greatdeal of dissatisfaction among your subscribers. I hear others complaining about the same thing. dont be so d---d careless, hire a man to take charge of your Books if you haven't time to attend to it yourself,

I have not been able to get the \$500 bet yet. The opposition are weakening. It may be possible that I can get a bet before the Election comes off, but I think it doubtful,

Yours Truly
