Dear Bush

I send you by Captn. Jamieson two dollars for Publishing es-  
tray notices one for Wm. I Robertson one for John Gates.

You may send me some of those B. R. Tickets, I think I can  
get them distributed through Dr Campbell who leans that way, though he  
will vote for you, the prospects for success in this county are brightening.  
I think the dem-- State ticket will be beat in this county but not so  
much as we anticipated. Avery has a very long, under lip as well as  
nose, the Nationals are beginning to let down, poor McItensy looks like  
a ghost, Cole will be Elected sure,

Yours Truly
