Dear Bush-

Last Saturday O Meara spoke at Deer Creek again; but with  
no  
no success-- in fact he has made votes against him- A little more  
time would defeat him entirely every where south. I think we shall  
carry this county here.

I have spoken three times and speak today at Calapooiah on  
my way around the county. Mosher has spoken twice Gibbs once-- Gibbs  
has gone south with some horse theives-- as Atty- will not be back  
probably not until after election.

Given them the best shot in the locker(?) and we are safe.

Williams & Drew did good work here

Yours truly
