Dear Bush

Alexander & McEwan will pay on the 15th August, Captn. Bleasor says he cant pay until he returns from Puget Sound when he Kinney & Bruce have gone with a drove of cattle, Norris is here and wants some one recommended for Post Master at this place, I cant think of any good democrat who would make a good efficient P. M. but A. R. McConner and their might be objections made to him on account of his being a Rum seller. No news times dull.
