Dear Bush,

Yours of the 25th ulto. is just recd. With reference to the newspaper I will give you an answer within ten days. If your Press was on hand so that you could deliver the office at once I could raise the Scrip for you. As it is I fear April will be too late for my purposes. However I'll answer you definitely within ten days.

And I think I will send you a printer just after this letter. He lives two miles in the country. As soon as I can see him I think he will go over. If he does you can rely on him. He's white. I'll comission him to trade with you for me, if it is to be done.

Maintain the change in the indictment you have preferred against Genl. L. & the old man will stay at home. Be doubly guarded in this matter.

In haste,

Your friend, Butler P Anderson
