

Portland Feby 10 1859

Dear Bush

I sent by private conveyance early last week my wives
Mount Vernon address. Seeing no notice in the Statesman of it
I presume you did not receive it. You will find in the Union of
July 1st an article from Lane in which he insists that the popu-
lation of Oregon is 91,000. ---Editor of the Times thinks you
are backing Linn in Lane -- no news -- dull times & d---d bad
weather.

Yours truly
