Dear Bush

Enclosed please find bill of 2 prs blinds--10 x 14 they charged the same for these that they did for the others as we got the others under price. Stark did not pay me that interest money. I only saw him once after his return and then he was so full of the Senatorship that I forgot about it I will ask him about it on his return--I suppose he goes his on "George"---If my name is used there in connection with that responsible office.--have it promptly withdrawn unless you deem it essential to the harmony of the party.

Very truly

Dear Bushy

Enclosed please find five of
2 per Bonds 10 x 14 they charged the
same for them that they did for the others
as we got the others under price.

Starr did not pay me that interest
money. I only saw him once after
his return and then he was so full of
the Senatorship that I forgot about
it I will ask him about it on his
return. I suppose he goes his
pile on "George" —

If my name
is used there, in connection with that
responsible office. — have it promptly
withdrawn unless you deem it essen-
tial to the harmony of the party —

Very truly,
John W. Crater
