Dear Bush

Yours of Sept 19th is at ahdn---In regard to loaning that
money if I understand you--you think it will--take you three or six months
to get it in--that is a long time ahead however I think I can loan it
there has been no time within the last eighteen months that that sum
could not have been loaned on good security---I understand about the
buildings and will look to it--- So you may begin to corral it and
I will look up a customer----"Dolph" Hannah is appointed U. S. Marshall--
We send your paper----Fisher sends us no B L----I think he is a "shoemaker"
Your Portland Correspondent will get his kicked

Yours truly
