Dear Bush,

I enclose you a short communication which you can publish if it possesses sufficient merit.

Ask Beggs why in the name of Boccaccio he don't write to me. I have written him once or twice since I was at Salem but have not had a word from him since.

Between ourselves - We are fixing things up pretty well in Douglas County - Our plan is to support Walton & Fullerton for Clk & Sheriff. We will have a full ticket - all Independent. Popular sovereignty democrats. We have recently received assurances that Remick Cowles of Myrtle Creek will run on our ticket for Representative.

He is the most popular man in the county, and cannot be beat. Our prospect of electing a full ticket is not bad.

Respectfully Yours

JAS. M. Pyle

P.S. We don't want it known yet that Cowles will run. The news will strike them like a thunder clap.

I have called on Chadwick for that document of Coon's that I wrote you of to get a copy, he always forgets to bring it down from his house.
