Dear Bush

Pap goes up to day & will tell you all I dont write. I was at Vancouver yesterday - Came near getting drunk with old Harvey but did'nt - Met Ingally Smith & Pleasanton all of whom treated me well. Harvey may get order any time to go , but Jordon they say is not at all likely in that event to go to Vancouver-

I shall this gay festering scum on the Panama - but I'll be back soon. I have written to my friend in Yamhill to be around. If anything wants to be did down in the brush just drop a line to the old gentleman-

Your - friend as ever

The Major

Love to Beggs
