Dear Sir

I have just received a letter from Ish. stating that he can not pay me the money he owes me: therefore I will not be able to let David McLoughlin have the \$2000.00 he wants. I wish you would let him have it, as I have told Mr. Elliott that he might depend on getting the money by the 15 day of march.

I have not been here long enough to get any items of impotence for you yet, but, in a few days I will write you the passing events of Douglas County. The Land office is in "a delapidated condition."

Yours Truly

I have not been here long enough to get any items of importance for you yet, but in a few days I will write you the passing events of Douglas county. The Land office is in "a deplorable condition."
