Dear Sir

Mr. Geo. Simmons of this place wishes to Borrow about \$500.00 for about six months. I regard him perfectly good, and would if I had the money to loan let him have it. -- At his request I write you this. If you can let him, have the money. I wish you would write me by the first-opportunity & let me know the terms, I think he is willing to give 2 per cent pr month, no news.

Yours & c
