

April 9th 1860

Since the enclosed was written, the mail from below has arrived as also the mail from Coos & Curry - all right down the Coast - Nika is the delegate from Coos and the delegates from Curry.

I shall be on hand at Eugene with these little old Counties all straight.

I see the Multnomah delegation will be forment us. Pity 'tis that's so -

We shall scare the enemy, if we do nothing more.

Yours &c

Drew

Oh! I wish you would forward the bill for publishing Dr. P. A. Quinan's card last fall to him at San Francisco, Cala. He left some demanos with me to collect for him, out of which I was to pay for his advertisement, but I have not got anything from his patients and never shall.

If you forward his bill to him by mail or Wells, Fargo & Co. he will remit the amount to you by W. F. & Co.

The bill was for three months insertion of professional card - months October, November & Dec. 1859. He left here suddenly.

His address is

Dr. P. A. Quinan
Asst. Surgeon U.S.A.
Alcatraz Island
San Francisco
Cala

The bill was I believe \$6.50.
It was sent to me once, but I have lost it.
