

Pleasant Hill, Ogn.
19th Apr. 1860

Messrs. Editors,

The gentleman who pays for the Statesman sent to W. P. Redford, Warsaw, Benton County Mo. wishes it discontinued at the expiration of the time for which it was paid.

Jas. Thompson of this place wishes his paper to be sent to-- Eugene City, He will pay you soon.

You see, the convention mixed the ticket. It is much better than I had expected till very lately. I believe the legislative ticket is all for Lane and two of them, (Monroe & Bailey) for Nesmith. It is to be hoped that some chance may turn up that will cause some of them to vote for Williams. But it is not to be expected.

In haste
