Friend Bush:

I have just arrived here & will leave on the Sonoma on the 21 at 9 am.

I had to give \$250.00 for A Ticket: in the first cabin.- I am tired of this place already. I have seen more dirty Divels then I have saw for the last ten years.

I have mail A Book to yor Address for John Zeber Jr. give it to him when you see him.

If you start to the States before I return I wish you to write me & let me know so that see you in the States but I do not look for you now as "old Joe" is clear out of the ring for "the Nominees." I have herd several of the knowing ones here laugh at the name of Jo Lane for President: --
