Dear Beggs,

The mail is in from the south. I have not had time to read the "Sentinel". Our County candidates are holding for the while I write and I desire to join the crowd & hear them.

I had the honor of firing the first gun producing consternation in the Lane camp on saturday last under the shadow of Gen. Lanes dwelling at Winchester.

I presented an indictment against old Jo. Delusion & James b. Cannon on monday last at Coles Valley Ed Otey our Candidate for representative got waked up and made the best political speech that has been in our midst this season. He is a perfect Patrick Henry with less of the polish.

The prospects of the Independent ticket are brightening.

We may elect the whole ticket. Yet we may get beaten by a small majority.

May the former prediction prove the correct one.

In Haste

Respectfully

James M. Fyle
