Dear Bush

Our polls at this precinct are closed - Deady and the federal officers generally voted here. result -

Logan	one
Sheil	eleven
Tichenor	sixteen
Barr	sixteen
Cole	none
Huntington	none

Balance Co. ticket same as above. Since last year our precinct has been divided and Smith's win made into a separate precinct.

Smith's win will give Logan a majority, but Tichenor and Barr will get most of the votes there.

I have not heard from Coos -

Collectors, light house keepers, boatmen voted in one precinct with Deady for Sheil.

The carrier is waiting for the mail. I think Tichenor, Barr and Martin will be elected.

Ned, myself & other private ditizens here did not vote for Rep. to Congress with one exception of a democrat who voted for Logan.

Yours

Drew
