

Roseburg June 7th 1860

Dear Beggs

I write for the purpose of sending you the result of our election. The poll books were opened last evening they have elected one Representative and the Sheriff & Clerk. The rest of the Lane ticket is elected. We beat them in the Deer Creek precinct. Fullerton got 45 majority in this precinct and Walton 5, Norris was five votes behind.

It was one of the hardest contested elections I ever saw. Until the news came in from south of the Canyon it was generally thought we had elected the entire ticket. The mining population turned the scales against us. This is a triumph however, quite as much as I anticipated. I will now give you the official vote.

Geo. K. Sheil	553
David Logan	417
P. P. Prim	622
R. Mallory	545 - 288
H. G. Burnett	257
Sal Fitzhugh	461 - 34 Senator
Thos Norris	427
J. T. Gasley Rep	474 elected
Remie A. Cowles	484
E. W. Otey	Repres. defeated
Theo Pruther	
John Fullerton	520 - 108 Shff
Sam Gerdon	412
James Walton	504 - 53 Clerk
P. P. Rhodes	421
Sam C. Braden	5

I have not heard from Jackson County.

My health has been very poor for the last week.

Accept my regards.

Jas M. Pyle

P.S. Geo. Raper has paid one dollar to me for an Estray notice.

Geo. Parks wants the Statesman sent to him at this Post office. I told him he could pay the \$3. within three months.

Respectfully,

In Haste

Pyle
