

Portland, Jany. 15, 1861.

Dear Bush:

Before receiving your letter last evening Robbins asked me if I thought it was a sure thing that he would get the money. Judging from your letter previous I thought it was not "a dead sure thing", and told him so. Last evening he told me that he got the money. I had struck two good opportunities to let it; viz., to A. South or the Cala. Navigation Compy., but could not give them an answer.

V. Trevitt is here. He goes to Salem tomorrow or next day. He wants \$5000.00 for a year or more. Your wrote me a very good letter on the "State of the Union". The Statesman is quite readable this week. Is that you or Harvey? Joseph wrote a very good letter to the New York Committee. Who did the "Ancient Cities" for him? I will see you "ere long soon".

Yours truly,

Signed, Jno. M. Craken

I did not tell Vic you had this money here.
