Oregon. Sept. 1st 1888

Dear Asahel

I have just reed a paeage of Campaign literature - for which I
thank you.

Some time ago I reed your favor Augst 15th from which I have that.
I have still to my creit in the Bank \$68.37. Please let it stand at that. I
don't want it to be more until money comes from some outside source. Hm.
Bybee must make a payment soon. He is now two months behind on his interest.

Am glad you have a house of your own. It will, I am sure be much
pleasanter for you. I thought it a very nice place and it is near to your
business . I will be very glad if I can go to Salem this fall - but I shall
not go unless I am stronger than I have been this summer. I may not be, but
I think I will improve when cool weather comes.

Truly Your friend,

B. F. Harding

Respects to all.
