My Dear Mr. Bush,

We were in receipt yesterday morning 12 lb.
turkey by Wells Fargos Express just in time for us to celebrate
the ancient and honorable usage of the forefathers of Thanks-
giving. I thank you most kindly for thus reminding us, in
which Grover joins most heartily.

We cannot say enough to express our deep sense of
Thankfulness to you for so many marks of your kindness and gene-
rosity.

Most Truly Yours,

L. F. Grover.
