

THE ANNEX INTERNSHIP DESCRIPTION

Overview

The Community Arts Education Program of the Salem Art Association (SAA) is seeking qualified interns to help extend the non-profit organization's hand to diverse communities through programming in the Annex at the Bush Barn Art Center. Such communities could include LGBTQ, Latino and Latina, women, young adults, and others experiencing disparity in access to arts opportunities. SAA is also seeking interns to help prepare, organize, and present collaborative projects with these groups, such as exhibitions, workshops, and residencies. *The mission of the Annex is to be an experimental space for making, showing and learning about art.*

Primary Intern Responsibilities (depending upon applicant's interest and abilities):

- Help develop and design programming that serves a particular community, depending on expertise/experience.
- Participate on all levels of bringing a program to fruition, including: selecting artists, calculating budget, creating marketing, etc.
- Aid in installation and de-installation of exhibitions.
- Assist with the planning and set-up of artist receptions and special events.
- Post event and exhibition information at local and regional locations.
- Obtain significant professional work experience in a 501c3 non-profit arts organization.
- Interact with artists, SAA staff and the public.

Required Skills and Qualities

- Promptness, punctuality and reliability.
- Time commitments can vary. A schedule will be created with each intern.
- A positive "can do" attitude.
- General understanding of various art mediums and techniques.
- Ability to communicate clearly in both speech and writing. Spanish language appreciated.
- Must be collegiate or post-graduate.
- Must provide your own transportation.

Prospective interns wishing to earn college credit for their internship may talk with their professor or academic advisor about requirements regarding documentation of learning outcomes.
