Comic Arts & Manga Exhibition

The Salem Art Association's Bush Barn Art Center is excited to celebrate the creativity of young artists with a **Comic Arts & Manga Exhibition** in the Annex Gallery, on view **November–December 2026**.

Artists ages **8–18** are invited to submit original works inspired by **manga, comics, cartoons, and pop art**. We encourage bold colors, imaginative storytelling, and creative expression in this vibrant exhibition.

As part of our commitment to supporting young artists, this exhibition provides an opportunity for amateur, emerging, and established youth artists to showcase their work and share their unique artistic voices.

Artwork will be selected through a jury process based on **originality, craftsmanship, and overall presentation**. There is **no fee to apply**, but space is limited.
